REMARKS/ARGUMENTS

The title has been changed, consistent with the amended title in the parent application.

The specification has been amended in line with changes made to the specification of the parent application.

The Abstract of the Disclosure has been amended to in line with the Abstract in the parent application.

Claims 1-5, 9-11, 14-16, 18 and 22-38 are pending for consideration. Claims 6-8, 12, 13, and 19-21 have been cancelled; claims 1-5, 9-11, 14-16, and 18 have been amended; claim 17 stands withdrawn; new claims 22-38 have been added.

The pending claims correspond to the subject matter of the claims withdrawn from consideration in the Office Action mailed July 29, 2003 in parent Application No. 09/735,566. However, the newly added claims have been presented in a more orderly numbered sequence.

Of the pending claims, at least claims 1-5, 9, 10, 11, 14-16, and 22-38 are considered to be generic or related to species A (as defined in the parent application). In the event of a restriction requirement, to expedite prosecution, claims held to be directed to species A are provisionally elected for prosecution, if no generic claim is found allowable.

If there are any questions discussion of which would expedite further prosecution of the application, a telephone call to the undersigned (972-862-7428) would be appreciated.

Date: October 8, 2003
